

Handle Me with a Little TLC

At Dental Excellence, we want to treat you to the best of our abilities. We are striving for world-class care and a lifetime strategy for consistently excellent dental health. That's a pretty tall order, but we feel like there is no reason why we "Texan Royals" shouldn't be very well taken care of. In order to do so, we want to learn more about you....

1. Who can we thank for referring you to our office? _____
2. What did you love about your last dentist? _____

3. What should we do different than your last dentist? _____

Please check all that apply:

- I want my teeth to last a life time.
- I wish I could change my smile.
 - I want my teeth to be whiter.
 - I want my teeth to be straighter
 - I want my teeth to be shaped differently
- I want my bite to be more comfortable.
- I have missing teeth that I want to be replaced.
- I am interested in anxiety reducing medications for my dental visits.
- I am interested in having single visit crown/cap/onlay appointments.
- I want to be out of pain.
- I want to have stable mouth health
- I want to be checked for oral, head and neck cancer at least once a year.

Is there anything else you want us to know about you? _____

I am interested in _____

Name: _____
